

SEMINAR INVITATION

The Year of Trump

What impact this has had on US citizens living in Monaco and France and how to create a plan taking into account your investments and taxes

We would like to invite you, members of the American Club of the Riviera and its associates, to attend the London & Capital US Family Office seminar.

To RSVP please e-mail:

news@americanclubriviera.com

For more information, visit:

www.londonandcapital.com

KEY TOPICS:

- An overall view on Donald Trump's tax changes and the key issues to consider for American's living in Monaco and France
- The global economy and how it has fared in Donald Trump's time as President
- How you should invest in this late stage of the economic cycle - Bitcoin, FAANGs or American corporates
- Given the macro outlook, is the Euro or Dollar the stronger and safer currency to be with, a correction on the horizon

WHEN: Monday 26th March 2018

WHERE: Novotel, Monte Carlo
16 Boulevard Princesse
Charlotte 98000, Monaco

TIME: 6.30pm Drinks reception
7.00pm Presentation, Q&A
8.30pm Drinks, canapés
and networking

Tony McLoughlin

US Family Office, Director at London & Capital

www.londonandcapital.com

Tony has been working in partnership with international private clients and their advisers for over 30 years. Tony was instrumental in the development of the Group's US operations. Tony is London & Capital's technical in-house investment expert on portfolio construction specifically relating to UK resident non-domiciled families and in particular to US citizens living in Europe.

Ashok Shah

Investment Director, London & Capital

www.londonandcapital.com

Ashok is the former Chief Investment Officer of London & Capital and architect of the investment team structure which the firm continues to operate. He now acts as Investment Director, helping to provide the conduit between the London & Capital investment team and some of the firms' larger clients.

He joined the company in 2002 after nearly 30 years with Old Mutual where he was latterly head of emerging markets and a member of Old Mutual Asset Management's risk, asset allocation and management committees.
